Our Map

Make a Map Mobile

Cut out the map, the animals and the places.

Colour the map, stick the animals and the places accordingly.

Attach them to string and create your own map mobile to hang up.

Use your imagination to tell your own journey!

Our Map

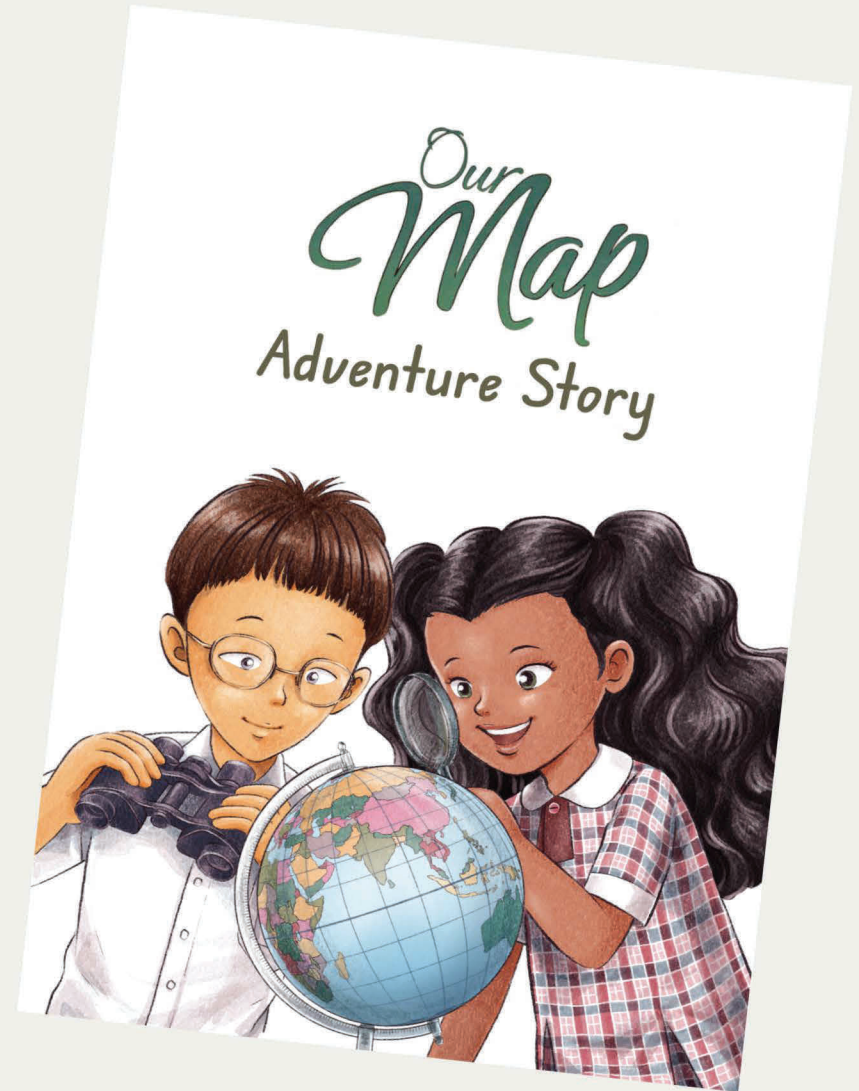

Make a Map Adventure Card

Fold the A4 in half like a greeting card.

Colour the front cover and design your own map by drawing places that are important to you on the inside page.

Write a short story about your map adventure at the back cover.

You can gift this to a friend, sibling, or parent to share what matters to you.

This is a story about a journey through my special map for my special person. This card is a gift of belonging, courage, and imagination!
